

## Leominster Credit Union Celebrates Arbor Day in Local Communities

**Leominster, MA** – LCU’s Green Committee coordinated, organized and assisted with a variety of tree initiatives in the communities of Leominster, Clinton, Holden, Sterling and Worcester. Trees which ranged in from seedlings to saplings were donated in celebration of Arbor Day.

LCU’s Green Committee delivered its first tree to the town of Sterling where it was planted behind the Fire Station. In Clinton, Branch Manager Jennie Gray delivered tree saplings to local school children. A donation was made to Worcester’s tree stewardship activities, which is part of the Worcester Tree Initiatives. Other plantings will take place throughout the month of May in Leominster and Holden.

The towns were given the choice of what type of tree they would like to receive. Gregg Jamieson of J.A.M. Landscaping offered his assistance to the Green Committee assuring the proper planting of each tree.

LCU’s Green Committee was formed in 2008 and is committed to implementing changes for a more environmental friendly place to work and live. LCU prides itself on its commitment to going green as demonstrated by the environmentally-friendly features in its new corporate headquarters.
