

TERMS AND CONDITIONS OF YOUR ACCOUNT

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the state of Massachusetts (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

BYLAWS - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws on request. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the credit union, after providing for required reserves.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. You will also be liable for our costs to collect the deficit as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account including, but not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of indorsement or lack of indorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party indorsers to verify or guarantee their indorsements, or indorse in our presence.

WITHDRAWALS

Generally - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or any other transaction with us.

Postdated checks - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act.

Checks and withdrawal rules - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. If we are presented with an item drawn against your account that would be a "substitute check," as

defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. In addition, we may place limitations on the account until your identity is verified.

Overdrafts - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. You agree that we may charge fees for overdrafts and use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

Waivers - Even if we honor a nonconforming request, we are not required to do so later. We may treat continued abuse of the stated limitations (if any) as your act of closing the account, or we may at our option reclassify your account as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

Multiple signatures, electronic check conversion, and similar transactions - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account - is an account in the name of one person.

Joint Account - With Survivorship (And Not As Tenants In Common) - is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account - No Survivorship (As Tenants In Common) - is owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the "number of signatures" necessary for withdrawal.

Revocable Trust Account - One or two of you (called trustees) may create such an account in trust for another. Payments may be made to the trustee, or if there are two trustees, to either or both of the trustees or the survivor. Upon the death of the trustee or the death of both trustees, payment may be made to the person for whom the trust was made, or that person's legal representative.

BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

STOP PAYMENTS - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. When you place your stop-payment order we will tell you what information we need to stop payment. This information must be exact since stop-payment orders are handled by computers. If your information is not exact your order will not be effective and we will not be responsible for failure to stop payment.

You may stop payment on any item drawn on your account whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. Generally, if your stop-payment order is given to us in writing it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

TRANSFER LIMITATIONS - For savings and money market accounts you may make up to six transfers or withdrawals by means of a preauthorized, automatic, or telephonic transfer to another account of yours or to a third party or by check, debit card, or similar order to a third party during any calendar month (or statement cycle of at least four weeks). A preauthorized transfer includes any arrangement with us to pay a third party from your account at (i) a predetermined time; (ii) on a fixed schedule or (iii) upon oral or written orders including orders received through the automated clearing house (ACH). If the transfer or withdrawal is initiated in person, by mail, or at an ATM then there is no limit on the number of payments that may be made directly to you, directly to us for amounts you

owe us, or transfers to other accounts you have with us. Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

AMENDMENTS AND TERMINATION - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. You must keep us informed of your current address at all times. Notice from us to any one of you is notice to all of you. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

Errors relating to electronic fund transfers or substitute checks - For information on errors relating to electronic fund transfers (e.g., computer, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

DIRECT DEPOSITS - If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

TEMPORARY ACCOUNT AGREEMENT - If this option is selected, this is a temporary account agreement. Each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

RIGHT TO REPAYMENT OF INDEBTEDNESS - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien. Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

AUTHORIZED SIGNER (Individual Accounts only) - A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

RESTRICTIVE LEGENDS - The automated processing of the large volume of checks we receive prevents us from inspecting or looking for special instructions or "restrictive legends" on every check. Examples of restrictive legends placed on checks are "must be

presented within 90 days” or “not valid for more than \$1,000.00.” For this reason, we are not required to honor any restrictive legend placed on checks you write unless we have agreed in writing to the restriction. We are not responsible for any losses, claims, damages, or expenses that result from your placement of these or other special instructions on your checks.

PAYMENT ORDER OF ITEMS - The law permits us to pay items (such as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing you with the following information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them according to the dollar amount. We pay the smallest items first. The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. Our payment policy minimizes the number of items that may result in an overdraft or NSF fee. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

PLEDGES - Unless we agree otherwise in writing, each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

CHECK PROCESSING - We may process items mechanically by relying on the information encoded along the bottom of the items. This means that we may not individually examine all of your items to determine if the item is properly completed, signed and indorsed. You agree that we have not failed to exercise ordinary care solely because we use an automated system to process items and do not inspect all items processed in such a manner. We reserve the right not to inspect each item because using an automated process helps us keep costs down for you and all account holders. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

FACSIMILE SIGNATURES - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose.

POWER OF ATTORNEY - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not “durable,” it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

STALE-DATED CHECKS - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

NCUA INSURANCE - Funds in your account(s) with us are insured by the National Credit Union Administration (NCUA) and backed by the full faith and credit of the United States. The amount of insurance coverage you have depends on the number of accounts you have with us that are of different “ownership.” An individual account is one unique form of “ownership”; a joint account, a pay-on-death account, and a self directed qualified retirement account (e.g., an IRA) are examples of some of the others. Share insurance for a person’s self directed qualified retirement account is up to \$250,000. (An IRA is a self directed qualified retirement account as is any account where the owner decides where and how to invest the balance.) Share insurance for the other ownerships is at least \$250,000 per interest of the owner. If you want a more detailed explanation or additional information, you may ask us or contact the NCUA. You can also visit the NCUA website at www.ncua.gov and click on the Share Insurance link. The link includes detailed contact information as well as a share insurance estimator.

INDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to any one of you. We may supply any missing indorsement(s) for any item we accept for deposit or collection, and you warrant that all indorsements are genuine.

UNCLAIMED PROPERTY - The law establishes procedures under which unclaimed property must be surrendered to the state. (We may have our own rules regarding dormant accounts, and if we charge a fee for dormant accounts it will be disclosed to you elsewhere.) Generally, the funds in your account are considered unclaimed if you have not had any activity or communication with us regarding your account over a period of years. Ask us if you want further information about the period of time or type of activity that will prevent your account from being unclaimed. If your funds are surrendered to the state, you may be able to reclaim them, but your claim must be presented to the state. Once your funds are surrendered, we no longer have any liability or responsibility with respect to the funds.

DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or becomes legally incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or legal incompetence for up to ten (10) days after your death or legal incompetence unless ordered to stop payment by someone claiming an interest in the account.

UTMA ACCOUNTS - Under the Uniform Transfers to Minors Act, the funds in the account are owned by the child who has unconditional use of the account when he or she reaches the age of majority. Before that time, the account may be accessed only by the custodian (or successor custodian), and the funds must be used for the benefit of the child. We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the custodian (or successor custodian) are for the child’s benefit. For this type of account, the child’s SSN/TIN is used for the Backup Withholding Certification.

CASH TRANSACTION REPORTING - To help law enforcement agencies detect illegal activities, the law requires all financial institutions to gather and report information on some types of cash transactions. If the information we need to complete the report is not provided, we are required to refuse to handle the transaction. If you have any questions regarding these rules, please contact your local Internal Revenue Service office.

BACKUP WITHHOLDING/TIN CERTIFICATION - Federal tax law requires us to report interest payments we make to you of \$10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

LOST, DESTROYED, OR STOLEN CERTIFIED, CASHIER’S, OR TELLER’S CHECKS - Under some circumstances you may be able to assert a claim for the amount of a lost, destroyed, or stolen certified, cashier’s or teller’s check. To assert the claim: (a) you must be the remitter (or drawer of a certified check) or payee of the check, (b) we must receive notice from you describing the check with reasonable certainty and asking for payment of the amount of the check, (c) we must receive the notice in time for us to have a reasonable opportunity to act on it, and (d) you must give us a declaration (in a form we require) of your loss with respect to the check. You can ask us for a declaration form. Even if all of these conditions are met, your claim may not be immediately enforceable. We may pay the check until the ninetieth day after the date of the check (or date of acceptance of a certified check). Therefore, your claim is not enforceable until the ninetieth day after the date of the check or date of acceptance, and the conditions listed above have been met. If we have not already paid the check, on the day your claim is enforceable we become obligated to pay you the amount of the check. We will pay you in cash or issue another certified check.

At our option, we may pay you the amount of the check before your claim becomes enforceable. However, we will require you to agree to indemnify us for any losses we might suffer. This means that if the check is presented after we pay your claim, and we pay the check, you are responsible to cover our losses. We may require you to provide a surety bond to assure that you can pay us if we suffer a loss.

CHANGING ACCOUNT PRODUCTS - We may change your account to another product offered by us at any time by giving you notice that your account will be changed to another product on a specified date. If your account is a time account, the change will not occur before the next maturity date of your account. If you do not close your account before the date specified in the notice, we may change your account to that other product on the date specified in the notice.

TRANSACTIONS BY MAIL - You may deposit checks by mail. You should indorse the check being sent through the mail with the words “For Deposit Only” and should include your correct account number underneath to ensure the check is credited to the correct account. You should use the pre-encoded checking deposit slips found behind your checks in your checkbook. If you do not use your deposit slip or provide us with instructions indicating how or where the check should be credited, we may apply it to any account or any loan balance you have with us or we may return the check to you. Receipts for such transactions will be mailed to you only if a self-addressed stamped envelope is provided. Following your deposit, examine your statement carefully or call us to ensure that we received the item. Do not send cash through the mail for deposit.

LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed “legal action” in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys’ fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

CHECK STORAGE AND COPIES - You agree that you will not receive your canceled checks. We will store your canceled checks or copies of them for a reasonable retention period. You may request copies from us in the manner we require.

SECURITY - It is your responsibility to protect the account number(s) and access device(s) (e.g., an ATM card, point-of-sale card and/or PIN) for your account(s). Do not discuss, compare, or share information about your account number(s) or access device(s) with anyone unless you are willing to give them full use of your money. Checks and electronic withdrawals are processed by automated methods, and anyone who obtains your account number or access device could use it to withdraw money from your account, with or without your permission.

Account numbers - Thieves can encode your account number on a check which looks and functions like an authorized check and can be used to withdraw money from your account. Your account number can also be used to issue a “preauthorized draft.” A preauthorized draft is a draft or check that can be used to withdraw money from your account. Unlike a typical personal check, you do not issue or sign a preauthorized draft, someone else does on your behalf. For example, if you provide your account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue and sign a check to withdraw money from your account. If you have truly authorized the preauthorized draft (to purchase a service or merchandise, for example), it is properly payable. But it can be risky to authorize a preauthorized draft. A swindler could issue a preauthorized draft in an amount greater than you authorized, or issue additional preauthorized drafts that you have not authorized. We will not know if the withdrawal is unauthorized or in an amount greater than the amount you have authorized. Payment can be made from your account even though you did not contact us directly and order the payment.

Access devices - If you furnish your access device and grant actual authority to make transfers to someone who then exceeds that authority, you will be liable for the transfers unless we have been notified that transfers by that person are no longer authorized. Please review the additional information you have received or will receive regarding transfers by access device.

Blank checks - You must also take precaution in safeguarding your blank checks. Notify us at once if you think your blank checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself, or share the loss with us if we failed to use ordinary care which substantially contributes to the loss.

DEPOSIT OF PREAUTHORIZED DRAFTS - You agree to take back any preauthorized draft deposited into your account that is returned. We may reverse any credit made to your account for the preauthorized draft, or otherwise collect from you the amount of the preauthorized draft. You agree that you will not deposit a preauthorized draft drawn on a person’s bank account without that person’s express, verifiable authorization, and that you will maintain a record of the express verifiable authorization for 24 months from the date of the authorization.

ADDRESS OR NAME CHANGES - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

ELECTRONIC FUND TRANSFERS YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party’s account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or statement savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or statement savings account(s).
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

Telephone Transfers - types of transfers - You may access your account by telephone 24 hours a day, 7 days a week at (978) 537-8021 or Toll Free at (800) 649-4646 using your account numbers and PIN (personal identification number), to:

- transfer funds from checking to checking
- transfer funds from checking to statement savings
- transfer funds from statement savings to checking
- transfer funds from statement savings to statement savings

Your Option to Limit Cash Withdrawals - In addition to dollar amount limitations for withdrawals using your ATM/Debit Card and/or code that we may establish, you have the option to limit the amount of cash that can be withdrawn by your ATM/Debit Card and/or code to \$50.00 per day or some other amount acceptable to us.

ATM Transfers - types of transfers and dollar limitations - You may access your account(s) by ATM using your ATM card and personal identification number or Quick Cash Plus Card and personal identification number, to:

- make deposits to checking account(s)
- make deposits to statement savings account(s)
- get cash withdrawals from checking account(s)
- get cash withdrawals from statement savings account(s)
 - you may withdraw no more than \$300.00, or your preauthorized limit, per day
- transfer funds from statement savings to checking account(s)
- transfer funds from checking to statement savings account(s)
- make payments from checking account(s) to Leominster Credit Union
- get information about:
 - the account balance of your checking account(s)
 - the account balance of your statement savings account(s)

Some of these services may not be available at all terminals.

Types of ATM Card Point-of-Sale Transactions - You may access your checking account(s) to purchase goods, pay for services (in person), and get cash from a merchant, if the merchant permits, or from a participating financial institution.

Point-of-Sale Transactions - dollar limitations - Using your card:

- you may not exceed \$500.00, or your preauthorized limit, in transactions per day

Types of Quick Cash Plus Point-of-Sale Transactions - You may access your checking account(s) to purchase goods (in person or by phone), pay for services (in person or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that a participating merchant will accept.

Point-of-Sale Transactions - dollar limitations - Using your card:

- Dollar limitations will be disclosed in writing at card issuance.

Currency Conversion and International Transactions. When you use your Quick Cash Plus Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date. Visa USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. As a result, we charge you a 2% international transaction fee on all international transactions regardless of whether there is a currency conversion. An international transaction is a transaction where the country of the merchant is outside the USA.

Non-Visa Debit Transaction Processing. We have enabled non-Visa debit transaction processing. This means you may use your Quick Cash Plus Card on a PIN-Debit Network* (a non-Visa debit network) without using a PIN. The non-Visa debit network(s) for which such transactions are enabled are: PULSE and NYCE Networks.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your Quick Cash Plus Card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa’s zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

*Visa Rules generally define ***PIN-Debit Network*** as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

Online Computer Transfers - types of transfers - You may access your account(s) by computer 24 hours a day at www.leominstercu.com and using your account numbers and a password, to:

- transfer funds from checking to checking
- transfer funds from checking to statement savings

 - deposits to statement savings accounts
 - withdrawals from statement savings accounts

- We may terminate the electronic fund transfer agreement by notifying you in writing.

FEES

- We do not charge for direct deposits to any type of account.
- We do not charge for preauthorized payments from any type of account.

Except as indicated elsewhere, we do not charge for these electronic fund transfers.

ATM Operator/Network Fees. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 1-800-649-4646 to find out whether or not the deposit has been made.
- **Periodic statements.** You will get a monthly account statement from us for your checking or statement savings accounts.

PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** To be effective a Stop-Payment Order must be received in time to allow an institution a reasonable opportunity to set on it, and for some ACH debits must be received at least three banking days before the scheduled date of transfer. To be effective a Stop-Payment Order also must identify the payment sufficiently to allow the institution a reasonable opportunity to act on it. IF THE PAYMENT IS A CHECK, an oral Stop-Payment Order is not effective, and a Stop-Payment Order is effective only if it is in writing. IF THE PAYMENT IS BY ACH DEBIT AND THE INSTITUTION GIVES NOTICE AT THE TIME AN ORAL STOP-PAYMENT ORDER IS RECEIVED THAT WRITTEN CONFIRMATION IS REQUIRED AND PROVIDES AN ADDRESS WHERE THE WRITTEN CONFIRMATION CAN BE SENT, and a Stop-Payment Order is effective for 14 calendar days only, unless confirmed in writing within the 14-day period. Properly signed Stop-Payment Orders are effective for 6 months after date received and will automatically expire after that period unless renewed in writing. With respect to ACH debits, the institution and the member agree to abide by the ACH rules and regulations regarding Stop-Payment Orders.

Please refer to our separate fee schedule for the amount we will charge you for each stop-payment order you give.

- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

ADDITIONAL INFORMATION REQUIRED BY MASSACHUSETTS LAW

- (1) Any documentation provided to you which indicates that an electronic fund transfer was made to another person shall be admissible as evidence of the transfer and shall constitute prima facie-proof that the transfer was made.
- (2) The initiation by you of certain electronic fund transfers from your account will, except as otherwise provided in the agreement, effectively eliminate your ability to stop payment of the transfer.

Unless otherwise provided in this agreement, you (the consumer) may not stop payment of electronic fund transfers, therefore you should not employ electronic access for purchases or services unless you are satisfied that you will not need to stop payment.

FINANCIAL INSTITUTION'S LIABILITY

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) If the funds are subject to legal process or other encumbrance restricting such transfer.
- (7) There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

In order that your privacy may be protected, we will not disclose any information about you or your account to any person, organization, or agency except:

- (1) for certain routine disclosures necessary for the completion of a transfer; or
- (2) for verification of the existence and condition of your account for a credit bureau or merchant; or
- (3) to persons authorized by law in the course of their official duties; or
- (4) to our employees, auditors, service providers, attorneys or collection agents in the course of their duties; or
- (5) pursuant to a court order or lawful subpoena; or
- (6) to a consumer reporting agency as defined in Chapter 93 of Massachusetts General Laws; or
- (7) by your written authorization which shall automatically expire 45 days after our receipt of your authorization.

If an unauthorized disclosure has been made, we must inform you of the particulars of the disclosure within 3 days after we have discovered that an unauthorized disclosure has occurred.

UNAUTHORIZED TRANSFERS

(a) Consumer liability.

• *Generally.* Tell us AT ONCE if you think your card and/or code has been lost, stolen, used without your permission, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way, if any, of minimizing your possible losses. You can lose no more than \$50 if you fail to give us notice of your lost or stolen card and/or code and your card and/or code is used without your permission.

• *Additional Limit on Liability for Quick Cash Plus Card.* Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Quick Cash Plus Card. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number which are not processed by VISA®.

(b) **Contact in event of unauthorized transfer.** If you think your card and/or code has been lost, stolen or that someone has transferred or may transfer money from your account without your permission, for example, by using the information from your check or draft, call or write us at the telephone number or address listed in this brochure.

PROTECTED CONSUMER USE

Chapter 167B of the Massachusetts General Laws was enacted to provide a means for financial institutions, businesses, and consumers to conduct their business relations more conveniently. Transferring funds electronically will supplement the use of checks, credit, and cash and will not replace these present methods of doing business. As a consumer, you should be aware of your rights if you choose to utilize this system.

(1) Prohibition of compulsory use.

No person may: require you to use a preauthorized electronic fund transfer as a condition of the extension of credit unless the credit is being extended in connection with an overdraft checking plan, or is being extended to maintain a specified balance in your account, or require you either to accept a transfer service or to establish an account which is accessed electronically as conditions of employment or receipt of governmental benefit, or require you to pay electronically for the purchase of goods or services.

If your account is to be credited by a preauthorized transfer you may choose the financial institution to which the transfer may be made, if the institution is technically capable of receiving such preauthorized transfer.

- (2) **Waiver of rights.** No writing or agreement signed by you can waive the rights conferred to you by Chapter 167B of the Massachusetts General Laws unless you decide to waive these rights in settlement of a dispute or action.
- (3) **Refunds.** If it is the policy of a store or retail business to give cash refunds in return for an item purchased by cash, then this policy must also cover refunds for items purchased by electronic fund transfer unless it is clearly disclosed at the time the transaction is consummated that no cash or credit refunds are given for payments made by electronic fund transfers.
- (4) **Suspension of obligations.** If a person agrees to accept payment by means of an electronic fund transfer and the system malfunctions preventing such a transfer, then the consumer's obligation is suspended until the transfer can be completed, unless that person, in writing, demands payment by other means.
- (5) **Prohibited means of identification.** Your Social Security number cannot be used as the primary identification number although it can be used as secondary aid to identify you.
- (6) **Criminal liability.** Procuring or using a card, code or other means of electronic access to an account with the intent to defraud is a basis for criminal liability.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to "transaction" accounts, savings accounts, and any other asset account you may have at the credit union. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your check deposits available to you on the second business day after the day we receive your deposit, with the first \$100 (until July 21, 2011) or \$200 (effective July 21, 2011) available on the first business day after the day of your deposit. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the second business day, as detailed below. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 5:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00 P.M. on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM your account will be credited for the deposit on the day the deposit is processed. The hold on the funds will start from the day the deposit is processed.

Same-Day Availability

Funds from cash deposits made in person to one of our employees and electronic direct deposits to your account will be available on the day we receive the deposit.

Next-Day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

U.S. Treasury checks that are payable to you.

Wire transfers.

Checks drawn on Leominster Credit Union.

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

State and local government checks that are payable to you if you use a special deposit slip available at our tellers.

Cashier's, certified, and teller's checks that are payable to you.

Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you if you use a special deposit slip available at our tellers.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit. Cash deposits not made in person to one of our employees will also be available on the second business day after the day of deposit.

Other Check Deposits Subject to Second-Day Availability

The first \$100 (until July 21, 2011) or \$200 (effective July 21, 2011) from a deposit of other checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, \$100 (until July 21, 2011) or \$200 (effective July 21, 2011) of the deposit is available on Tuesday. The remaining \$600 (until July 21, 2011) or \$500 (effective July 21, 2011) is available on Wednesday.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Foreign Checks

Any check deposited in a foreign currency will not be credit to your account until LCU has obtained credit from the foreign institution. The timeframe on such deposits will vary based on the country we are collecting the funds from.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,000 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your

deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.
